Summer Opportunities for Students

Do you have students looking for summer employment, internships, or volunteer work? Encourage them to start applying now. Use these websites to locate opportunities:

- Intern to Earn: This website is a great resource for internship and co-op positions in the Greater Louisville area.
- CREW Center's Job Board: This job board includes a variety of positions types and career fields.
- Volunteer Match: This website has excellent volunteering opportunities. Encourage students to search for options matching their career interests.

Helping students brand themselves online
