

Fall 2022 Newsletter

WHAT'S NEW WITH THE CREW CAREER CENTER?

As we begin the Fall 2022 semester, here are several important updates and reminders about our resources and events.

Don't forget to reach out to the CREW Career Center at our email address:

jf-crew-career-center@kctcs.edu

CREW CAREER CENTER WORKSHOP SERIES HAS ARRIVED

Three updated workshops are ready and more are on the way! Faculty can now request the following workshops and upload them to Blackboard.

- Introduction to the CREW Career Center & Career Development
- Introduction to Resume Writing
- Introduction to Cover Letter and Reference Page

UNLOCK CAREER CONNECTIONS WITH HANDSHAKE

The Kentucky Community & Technical College System has a fast and powerful recruiting platform for JCTC students and alumni.

Handshake uses cutting edge technology to help our community easily connect with employers and search jobs and internships.

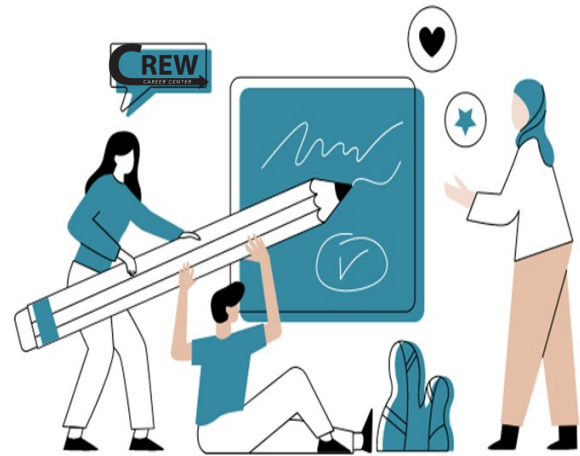

More updates will be sent this semester regarding our Handshake rollout and how you can best use the technology to your advantage! JCTC students and alumni will get access later this fall!

ADD INTRO TO CREW TO YOUR BLACKBOARD COURSE

Help connect your students with step-by-step career development process including career exploration, planning, preparation, and placement information.

Discover our seven-step process today by adding the *Introduction to the CREW Career Center* to your Blackboard page.

To request visit <https://crew.cc/faculty-staff>

September: International Update Your Resume Month

- Have your students schedule an hour-long appointment to receive in-depth resume development assistance.
- Encourage the use of the resume dropbox tool, where they receive feedback within two business days.
- Check the CREW Career Center Website for more pro-tips on how students can structure their resumes.

CHANGING CAREERS

A large population of JCTC students identify as **adult learners**. These students often are **changing their careers** and **pivoting** their roles at work. To better serve our students, it's helpful to understand the reasons why they maybe returning to the classroom.

- Seeking **better paying** opportunities
 - Wanting better **work-life balance**
- Seeking **new challenges** and positions
- **No longer passionate** about their current fields

Students interested in changing careers are encouraged to **schedule an appointment with the CREW Career Center** to explore opportunities and update their candidate materials.
