

Spring 2023 Newsletter

WHAT'S NEW WITH THE CREW CAREER CENTER?

As we begin the Spring 2023 semester, here are several exciting updates and reminders about our resources and events.

Don't forget to reach out to the CREW Career Center at our email address:

jf-crew-career-center@kctcs.edu

HELLO HANDSHAKE!

Handshake has arrived and is open for **students, employers, and faculty and staff** to start utilizing this fast and powerful recruiting platform.

Students create their profile, similar to LinkedIn, and will be shown jobs that are a good fit for them. They can filter and search through job roles based on their interests, and discover new career possibilities. Best of all, **recruiters will message them directly with job opportunities.**

Faculty and staff members can use Handshake to:

- View the online job boards and events
- Engage and recommend employers
- Connect students with employers
- Act as a career resource to students

The CREW Career Center has Handshake guides available for **students, employers, and faculty and staff** regarding profile creation and Handshake navigation.

For more information visit:

<https://crew.cc/faculty-staff>

The image shows the cover page of the "CREW Handshake Faculty & Staff Guide". At the top, the CREW Career Center logo is on the left, and the word "Handshake" is written in a large, bold, black font. Below "Handshake" is the subtitle "Faculty & Staff Guide". The main text reads: "Welcome to Handshake – the CREW Career Center's online career management system that helps connects students with employers." Below this is a section titled "In this Guide:" followed by a list of page numbers and topics: "Page 2 - Create your Profile", "Page 3 - Complete your Profile", "Page 4 - Uploading Documents", "Page 5 - Indicate Career Interests", "Page 6 - Set Notifications", "Page 7 - Search for Opportunities", and "Page 8 - Connect with Employers". To the right of the text is a grid of 12 small, colorful illustrations of diverse people in professional settings, arranged in a 3x4 grid. A large red arrow points from the URL in the previous block towards the "In this Guide:" section.
