# Complete Your Profile

Once you are logged in, click your initials on the top right corner of the page and select **“My Profile.”** Double-check your name and education information for accuracy.

Next, fill in each of the **sections of your profile.** To edit a section, **click the pencil icon.** You also have the option of uploading your resume and Handshake will populate your profile with its contents.

*If you do not have your resume yet, that’s okay!*

*Schedule an appointment with the **CREW Career Center** to create your resume.*

You also have the option to make your **profile visible** or **hidden** to employers on the *left side* of your page. Making your profile hidden means that *they will not be able to find you in a search or reach out to you.* We recommend **waiting until your profile is complete** to make your profile public.

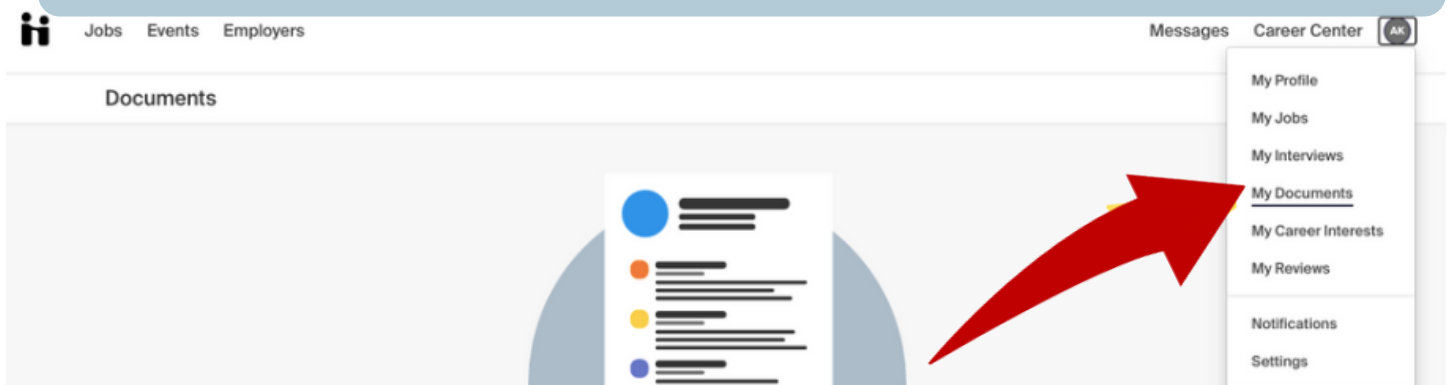

On the left side of your profile, you will see a **profile completion progress bar** with *additional suggestions* on how to update your profile to make it the **most comprehensive to employers.**

# Uploading Documents

The **CREW Career Center** recommends uploading documents to your profile, such as your **resume**, **cover letters**, and any other **important professional documents**. This expedites the process to apply for opportunities through **Handshake**.

Before you upload anything, schedule an appointment to get your documents reviewed by a CREW Career Center Counselor.

**PRO TIP:** Title your documents with your name (ex. Bailee Raber Resume) and save them as PDFs.

1. Select **“My Documents.”**
2. Click **“Select From Computer.”**
3. Choose which documents you wish to upload, edit the name if necessary, and select document type (resume, cover letter, etc.).
4. Click **“Add Document.”**
5. You have the option to feature your resume on your profile by clicking the **“Feature on Profile”** button.
6. From the **“My Documents”** page, you can also choose to make any of your documents **visible** to employers.

# Indicate Career Interests

Handshake uses machine learning to **customize opportunities** based on your interests. Help the system learn more about your goals by completing the **Career Interests section so things you see in Handshake are customized.**

1. Click your initials on the top right corner of the page, and select “**My Career Interests**”.
2. You have the option to fill out each of the **career interest filters** and when you expect to **graduate**.
3. Handshake will recommend **job postings and articles** based on your career interests.

The screenshot displays the Handshake website interface. At the top left, there is a logo 'hi' and navigation links for 'Jobs', 'Events', and 'Employers'. At the top right, there are links for 'Messages' and 'Career Center' with a notification badge 'AK'. Below the navigation, the main heading is 'Your Career Interests'. The content area contains a message: 'Handshake wants to help you find the career and job that's right for you. Tell us a little more about yourself and we'll recommend the events, articles and jobs that match what you're actually interested in.' Below this, there are two sections with checkboxes: 'What type of job are you looking for?' (with options: Full-Time Job, Internship, Part-Time, On-Campus Job) and 'How can Handshake help you?' (with options: I want a job, I want an internship, I'm interested in grad school, I want to find out about career center events (fairs, info sessions, appointments)). On the right side, a user menu is open, showing options: My Profile, My Jobs, My Interviews, My Documents, My Career Interests (highlighted with a red arrow), My Reviews, Notifications, Settings, Switch Users, Help, Terms of Service, and Log out.
